

ECM1414

Data Structures and Algorithms

Group Contribution Statement

Student ID: 750032575 | **Student Name:** Cameron Russell

- Design of brute force
- Implementation of brute force
- Event_planner.py
- README.md
- Documentation - Introduction
- Documentation - Design and Approach
- Documentation - Algorithms - Brute Force
- Presentation - Slides 5 through 10

Student ID: 750060497 | **Student Name:** Max Thrift-Brothers

- Design of dynamic programming
- Implementation of dynamic programming
- README.md - Description
- Documentation - Algorithms - Dynamic Programming
- Documentation - Testing and Results
- Presentation - Slides 1,2, and 11 through 15

Student ID: 750051777 | **Student Name:** Utku Ozturk

- Presentation - Slides 3 and 4

Student ID: 750095503 | **Student Name:** Sahib Atwal

No contribution

Student ID: 750021591 | **Student Name:** Rohan Revington
